Pawan Kumar
Senior AI & Machine Learning Engineer
Email: pawan.kumar@example.com

Professional Summary:
Accomplished Machine Learning Engineer with 4 years of experience building predictive models, NLP pipelines,

Technical Skills:
Programming: Python, SQL, TypeScript, Bash
Machine Learning: Scikit-Learn, PyTorch, TensorFlow, Deep Learning, Statistics & Probability, NLP, Pandas, Nu
Backend & Cloud: FastAPI, Docker, PostgreSQL, AWS, Git, CI/CD

Work Experience:
Lead AI Engineer - TechCorp (2022 - Present)
- Engineered high-accuracy predictive ML models using Python and PyTorch.
- Built low-latency REST APIs using FastAPI and PostgreSQL handling 1M+ queries daily.
- Containerized microservices using Docker and deployed onto AWS.
